

## *Classy Caps*

**SOLAR LIGHT  
POST CAPS!**

- An extensive range of solar post caps.
- Styles and sizes to fit most PVC, wood, steel and aluminum posts.
- Adds beauty and security to decks, fences, docks and more.

**Imperial**

The Imperial is made from cast aluminum and powder coated to offer a clean contemporary design that is unequalled in performance.

**Prestige**

The Prestige's unique design adds style to any post and emits a beautiful pattern of light.

**Fairmont**

Complimented by real pebbled glass, the Fairmont solar post cap can be used for post or wall mount.

**Deck and Wall Light**

The Solar Deck and Wall light creates a soft ambience, great for accenting decks, stairways, patios, and more.
