## LokkLatch®

Sold in any quantity.

A quality and affordable latch for general-purpose gates. The LokkLatch® takes a radical new approach to the gravity latch principle and combines the unique benefits of key-lockability and reliable latching action with superior design and rust proof components. Fits square posts. Includes screws.

Item #: **LLAA** - Black  
Item #: **LLAAW** - White

## LokkLatch® Pro

Sold in any quantity.

The LokkLatch® PRO is a commercial grade self-locking security latch for general purpose gates. Not only can this lock be operated and locked from either side of a gate, when the latch closes it will lock automatically for added security. Fits square posts. Includes screws.

Item #: LLP1SK

## T-Latch™

Sold in any quantity.

The T-Latch™ is a general purpose gate latch designed to replace conventional metal gravity latches. This toggle-action gate latch is both simple and effective, with its pivot-style latch bolt that toggles vertically to automatically accommodate gate sag and ground movement. Includes screws.

Item #: TL01

## LokkLatch® with External Access Kit

Sold in any quantity.

The LokkLatch® is a quality, yet affordable, residential gate latch for general purpose gates around the home. The LokkLatch® takes a radical new approach to the gravity latch principle and combines the unique benefits of key-lockability and reliable latching action with superior design and rust-proof components. Fits square posts. Includes screws.

Item #: LLAAB
